

White Haven Memorial Parks, Inc.

Beautiful places to remember.

WHITE HAVEN MEMORIAL PARK GATHERING ROOM AND RECEPTION INFORMATION

Thank you for considering the use of White Haven's Gathering Room for your reception. Enclosed are samples of menus provided by the three catering businesses we have selected to work in our facility. These caterers have all been pre-approved and trained by us to deliver the best service to you in the shortest amount of time. Only these caterers are permitted to operate in our facility.

All food and beverages served in our facility must, by law, be prepared, delivered and served by a licensed caterer. As a result, we cannot allow food brought in by friends of family members to be served. Alcoholic beverages are not permitted.

Please be sure to schedule your reception with White Haven before you book a caterer. The caterer you select will call White Haven to confirm the arrangements you have made. Set up and clean up is our responsibility. Please know that the Gathering Room accommodates 75 people. Our caterers cannot prepare or serve food or beverages for more than 75 people.

The cost of using the facility is \$180 per hour or any part thereof. You may include this amount along with payment of other fees due White Haven. Payment for food related services must be made directly to the caterer. If your reception is for 20 people or less, please ask the caterer to explain any minimum charges that may be required.

White Haven will provide the coffee and tea for your catered reception at no charge to you with our sympathy for your loss.

Please call the Chapel Director if you have any questions or need additional information.
